

Informational Video Analysis

Do Not Write On This Form

Each Friday we will watch an informational video. On your own paper, complete the following information about the video. You must include the bold labels for the sections. You may wish to take notes on a scrap piece of paper and then complete the form after viewing the video.

1. **Video Viewing Date** _____
2. **Topic** _____
3. **Main Idea** (must be a complete sentence) _____
4. **Support** (must be facts that support the main idea)
 1. _____
 2. _____
 3. _____
5. **One opinion** the speaker expresses about the topic _____
6. **What are your thoughts** about the topic. Do you agree with the speaker? Do you disagree? Make sure to support your answer with evidence from your own previous knowledge of the topic or from the presentation. _____

If you are absent and miss a Friday video, see Mrs. Anderson for an alternate assignment to take the place of the video grade. On your make up paper, be sure to state which alternate text you are evaluating.

This activity addresses the informational text standards and speaking and listening standards of the CCRS.
